#### **ABOUT THE PRODUCTS:**

The global cotton yarn market size was valued at USD 82.81 billion in 2023 and is projected to grow from USD 86.11 billion in 2024 to USD 117.79 billion by 2032, exhibiting a CAGR of 4.0% during the forecast period. Moreover, the cotton yarn market in the U.S. is projected to grow significantly, reaching an estimated value of USD 759.55 million by 2032, driven by rising demand from the textile and apparel industries, propelled by fashion trends and sustainable product preferences.

Cotton yarn is made using natural cotton harvested from the cotton plant. These yarns are produced using different types of spinning processes. Based on the spinning process used to manufacture cotton yarn, the yarn produced across the globe can be primarily categorized into two types, carded and combed yarns. Different types of yarns have unique characteristics which ultimately influence the type of application it will be employed in and the quality of finished textile goods. For example, combed yarn is produced using high-quality cotton fiber by adding the combing process to the carded yarn.

Combed yarn is a finer and better quality product, making it useful for manufacturing fabrics with premium texture and durability. The majority of cotton yarn produced across the globe is used to manufacture apparels. Currently, consumers and brands are promoting sustainable fashion like never before, and clothing made using cotton yarn is an excellent choice for sustainability.

Lockdown restrictions enforced during the COVID-19 pandemic caused supply chain disruptions for various industries across the globe, with this market being no exception. The lockdowns imposed across several countries resulted in logistics challenges, raw material and labor shortages, and other inevitable challenges. Several yarn-manufacturing units were either closed or operating at a reduced capacity owing to the labor-intensive nature of manufacturing facilities. The manufacturing companies in this industry witnessed significant price fluctuations due to supply shortages and the effect of this disruption still affects the current prices. However, with significant control over the spread of the pandemic, the prices of cotton are returning to normalization as the supply chain is getting back on track. This is expected to help the revival of the industry over the next few years

Our Company is primarily engaged in manufacturing and selling of Cotton Yarns. Our manufacturing process adheres to stringent quality standards and is backed by advanced technology and machinery.

We are manufacturing various value added cotton yarns like Compact Carded Hosiery, Compact Combed Hosiery, Compact Carded Weaving, Compact Comb Weaving, Carded Weaving, Combed Weaving, Carded Hosiery, Combed Hosiery, Eli KW, Eli CW, Slub Yarn, Siro Slub Yarn, CSY-Lycra-Core Spin Yarn (Spandex), TFO Yarn - Double etc. The cotton yarn is used by many textile industries and has a good demand in the market. # Report on the Financial Statements

### Opinion

We have audited the accompanying financial statements of SIDDHI COTSPIN LIMITED ('the Company') CIN: U17123GJ2015PTC085135 which comprises the Balance Sheet as at 31st March, 2024, the Statement of Profit & Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit and its cash flows for the year ended on that date.

#### **Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

(Chartered Accountants)

### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

### Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

(Chartered Accountants)

We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

(Chartered Accountants)

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Report on Other Legal and Regulatory Requirements

# "ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT SIDDHI COTSPIN LIMITED (FINANCIAL YEAR 2023-24)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Siddhi Cotspin Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

(Chartered Accountants)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes Forming part of the financial statements:

# 1. Company Overview

Siddhi Cotspin Limited (referred to as "Company") (formerly known "Siddhi Cotspin Private Limited") is a public company, limited by shares incorporated on 23rd November, 2015 under the provisions of the Companies Act, 2013, as a Company having registered office at Survey 279 & 280, Unit No.13, Sub Plot No. 18 Sector 3 of Dholi Integrated Spinning Park, Ahmedabad, Gujarat-382240. Initially the company was incorporated as a private company and then converted into public Company on 06th February, 2024. The Company is engaged in manufacturing and trading of Textile products. The main product manufactured by the company is Yarn.

# 2. Significant Accounting Policies

A. Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India on accrual basis under the historical cost convention.

These financial statements have been prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All the assets and liabilities are classified as current and non-current as per company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, 12 months has been considered by the company for the purpose of current-noncurrent classification of assets and liabilities.

The Company follows mercantile system of accounting and recognizes income and expenditure on accrual basis except those with significant uncertainties.

Previous year figure has been regrouped/rearranged to confirm to the current year classification.

The Financial Statements are presented in Indian rupees rounded off to the nearest rupees.

B. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The management believes that the estimates used in the preparation of financial statement are prudent and reasonable. Actual results could differ from these estimates.

# SIDDHI COTSPIN LIMITED **NINTH ANNUAL REPORT FY 2023-24**

Estimates and underlying assumptions are reviewed on a going concern basis. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

C. Property, Plant & Equipment

Tangible Assets are stated at cost of acquisition as reduced accumulated depreciation. Cost includes purchase price and all other attributable cost of bringing the asset to working condition for intended use. The expenses for asset which are not ready for commercial production or for assets which are not ready for use is recognized as Capital Work-in Progress. Further, the expenses made subsequent costs of major renovations and improvements to Tangible assets that increase or extend the future economic benefits or service potential are valued at cost. Gains and losses on disposal are determined by comparing the proceeds with the carrying amount of the asset and are included in the Statement of Profit & Loss. The company follows policy of capitalizing purchase of assets only above Rs 10,000/-.

D. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation / amortization on Tangible assets is charged based on "Straight Line Method (SLM)" on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013 except where the life of the assets has been assessed as under based on technical advice, considering the nature of the asset, estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Lease Hold Assets has been amortized as per straight line method over the lease term.

E. Investments

Non-Current Investment are stated at cost unless there is a diminution in the value of investment other than temporary. Long-term investments are usually of individual importance to the company. The carrying amount of long-term investments is therefore determined on an individual investment basis. The cost of an investment includes acquisition charges such as brokerage, fees and duties. Where there is a decline, other than temporary, in the carrying amounts of long-term investments, the resultant reduction in the carrying amount is charged to the profit and loss statement. The reduction in carrying amount is reversed when there is a rise in the value of the investment, or if the reasons for the reduction no longer exist. The carrying amount for current investments is the lower of cost and fair value. On disposal of an investment, the difference between the carrying amount and the disposal proceeds, net of expenses or income, is recognized in the profit and loss statement.

F. Inventories

Inventories are valued at lower of cost or net realizable value. Cost is computed on the basis of cost of purchase on "FIFO" basis. For the purpose of valuation of Manufacturing Work in Progress, value is determined on a specific identification basis which includes material cost, freight and other incidental expenses incurred in bringing the inventory to the present location / condition. An annual physical inventory verification is conducted of all stocks. Sample physical counts are undertaken throughout the year to verify inventory balances.

G. Provisions, Contingent Liabilities & Contingent Assets:

A provision is recognized when the company has a present obligation as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation.

A contingent liability is disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote.

A Contingent asset usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits to the enterprise. Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized.

H. Government Grants

Government grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received. Revenue grants are recognized in the statement of profit and loss as a deduction from the expenses related to it.

I. Revenue Recognition

The revenue is accounted for to the extent that the economic benefits will flow to the company and revenue can reliably measure. Therefore, all revenues from manufacturing and trading of Textiles products are recognized on the basis of the invoices raised. Interest income from fixed deposits are accounted on accrual basis. Other Incomes such as Interest, dividends and rentals receivables in connection with an investment are generally regarded as other income, being the return on the investment and it is recognized on accrual basis.

J. Expenditure

Expenditure is accounted on accrual basis and provisions are made for all known liabilities except otherwise stated.

K. Foreign Currency Transactions

A foreign currency transaction is recorded, on initial recognition in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction or based on the customs exchange rates specified time to time. Foreign currency monetary items is reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency is reported using the exchange rate at the date of the transaction;

Exchange differences arising on the settlement of monetary items or on reporting the company's monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, is recognized as income or as expenses in the period in which they arise.

# L. Current Income Tax / Minimum Alternate Tax & Deferred Taxes:

Tax expense comprises of current and deferred taxes. Provision for current Income tax / MAT is made on the basis of the estimated taxable profits / book profits computed for the current accounting period in accordance with the Income Tax Act, 1961.

Deferred tax expenses or benefit is recognized on timing difference being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in on or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted are substantively enacted by the balance sheet date.

Deferred tax assets in respect of unabsorbed depreciation and carry forward losses are recognized only to the extent that there is virtual certainty that sufficient taxable income will be available to realize these assets. All other deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.

M. Employee Benefits:

Employee benefits are all forms of consideration given by the company in exchange for service rendered by employees.

Post-employment benefits are employee benefits (other than termination benefits) which are payable after the completion of employment. It includes employment benefits such as gratuity.

Short-term employee benefits include items such as wages, salaries and bonuses payable within twelve months after the end of the period in which the employees render the related service; and non-monetary benefits (such as medical care, housing, cars and free or subsidized goods or services) for current employees.

# SIDDHI COTSPIN LIMITED NINTH ANNUAL REPORT FY 2023-24

N. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares. Potential equity shares is treated as dilutive when, and only when, their conversion to equity shares would decrease net profit per share from continuing ordinary operations.

O. Cash & Cash Equivalent

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

P. Segment Reporting

A business segment is a distinguishable component of an enterprise that is engaged in providing an individual product or service or a group of related products or services and that is subject to risks and returns that are different from those of other business segments. However, the company does not have multiple segments of business. The Company is engaged in manufacturing and trading of Textile product only.
